What- The Leyden High School Pep Band is an extracurricular ensemble at Leyden High School. The music performed is taken from the marching band season and as well as additional new tunes. Music can be accessed in the [“Pep Band” folder](#). Being a member of the pep band allows us to show school spirit, give high quality performances, and support our athletic programs!

How- The pep band is split into two bands, the Blue Band and the Gold Band. Each student will be responsible for the games that their band is assigned to. **Report time for these performances is 45 minutes prior to the game time, unless noted otherwise**, at which time we have a short rehearsal, followed by our performance at the game. Basketball games are roughly two hours in length. Occasionally the band may be released early as seen fit by the directors. Boys’ games are at ELHS while the girls’ games are at WLHS.

Uniform- All band members should wear their Leyden Pep Band shirt. This will be given to students at no cost. This shirt is our uniform for performances and is to be worn at pep band events, the only exception being the special dress up days!

Attendance- Pep band members are welcome to participate on any night, but each band member is obligated for 5 performances. **Failure to meet the 5 game minimum will exclude your participation from the Chicago Wolves on February 22nd.** If you are involved in something else that conflicts with a pep band performance, you must inform Mr. Walker & Ms. Wilkes ASAP. It is then your responsibility to find a substitute from the other pep band (Blue or Gold) to cover your spot. This must be a student from your instrument section! The most equitable way is for the two students to trade performances, but it is not required. You must also inform the director of this personal change, including the person subbing for you in that game. Please email both directors once you find your sub.

Contact- Mr. Walker (Blue Pep Band) Jawalker@leyden212.org, Ms. Wilkes (Gold Pep Band) CWilkes@leyden212.org
